LANDSLIDE IN MASON FOR WILLSON AND IRELAND

County Goes Republican For the First Time In 16 Years

Let the bugle scream!
The G. O. P. is coming back!
Mason county yesterday went Rep-
ublican, think of it!
Governor Willson defeated Beckham

in Mason by 19 votes
The proposition to issue \$200,000 for
Good Roads was defeated by a small
majority.

The defeat of the "Good Roads"
proposition is deeply deplored and re-
gretted.
It remained for the Precincts of Hill-
top and Plumville to put a crimp in the
county vote, otherwise the proposition
would have won out.

This remarkable reversal of form in
Mason county, from 800 Democratic ma-
jority to a Republican majority is
something to ponder over. In fact the

Proposition To Issue \$200,000 Bond For Good Roads Defeated

whole country is repudiating Willson
and Bryan's schoolmaster theories and
in 1916 we will be blessed by a Re-
publican Protection President.

The following is the unofficial vote
of Mason county as far as we could
obtain it.

FUGITIVE FROM JUSTICE

Arrested Here Yesterday By Chief
of Police Mackey, After Putting
Up a Hard Fight—Is Wanted
in Montgomery County.

Chief of Police Mackey received word
from Mt. Sterling yesterday from
Sheriff Harry F. Powell of Montgomery
county to be on the lookout for and
to arrest John Mearns, wanted in that
county on a charge of grand larceny.
About 9 o'clock yesterday morning
the man was located by Officer Tolle,
but he evaded his pursuer for the time
being. About 10:45, while Chief Mackey
and Officer Tolle were going up
Third street hunting for the man he
was observed by them standing on the
corner of Second and Limestone streets.
The Chief started down Limestone
street after the man while Officer Tolle
hurried on out Third street and down
Government Square to head him off
should he attempt to escape in that
direction.

The fellow was taken in custody by
the Chief but protested that he was not
the man they were looking for and said
that he had a fellow down at the coal
yards to prove it by. Not wishing to
make a false arrest the Chief went with
him to see about the matter and when
between the coal elevators and the
building occupied by the Mason Lum-
ber Company the fellow attempted to
get away and put up a pretty stiff fight
with the Chief. Officer Tolle soon ap-
peared on the scene of action, however,
and when he pulled out his pistol the
fellow soon lost his fighting spirit and
was soon lodged in jail.
Mearns formerly lived in this city
and is a son of Andrew Mearns of Mt.
Sterling. The father formerly ran a
broom factory in this city.
Chief Mackey left this morning over
the C. & O. for Mt. Sterling with the
fugitive.

The Greendale is due down tonight
from Pomeroy.

Mayor J. Wesley Lee went to Cin-
cinnati yesterday to be gone for sev-
eral days on business connected with
river improvements.

Mrs. J. Elgin Anderson and daugh-
ter, Miss Christine of Dover, and the
former's cousin, Mrs. Mattie Runyon
Havens of Columbus, Ind., were visit-
ing in Maysville Monday.

MARVIN LEE PROMOTED.

Breakman Marvin Lee of this city, on
the L. & N., out of Maysville, has
been promoted to a better position, be-
tween Cincinnati and Knoxville. He
will now reside with his family at
Cincinnati.

He resided in the Harrison Flats in
Forest avenue.

Less Than a Cent

You may know a woman who has a reputation for making delicious cake, biscuits, etc.,—who seems to hit it right every time.

You may also know a woman, who, no matter how painstaking, can't seem to get the knack of successful baking.

Both use the same butter, same eggs, same flour and sugar. What is the difference?

Very likely it's all in the baking powder. Undoubtedly the woman with the knack uses Royal Baking Powder, and the unsuccessful woman uses an alum baking powder thinking it cheaper.

Yet the difference in the cost of a whole large cake is less than a cent.

It is economy to use

A WORD WITH WOMEN

Valuable Advice for Maysville Readers.

Many a woman endures with noble patience the daily misery of backache, pains about the hips, blue, nervous spells, dizziness and urinary disorders, hopeless of relief because she doesn't know what is the matter.

It is not true that every pain in the back or hips is trouble. "Peculiar to the sex." Often when the kidneys get congested and inflamed, such aches and pains follow.

You can tell it is kidney trouble if the secretions are dark colored, contain sediment; the passages are too frequent or scanty. Then help the weakened kidneys. Don't expect them to get well alone.

Doan's Kidney Pills have won the praise of thousands of women. They are endorsed at home—Read this Maysville woman's convincing statement:

Mrs. Dora Mefford, Maysville, Ky., says: "I had been feeling poorly for some time, before I knew that my kidneys were at fault. I was nervous and dizzy and my back and head ached. I rested poorly and mornings I was all tired out. I read in a local paper how a neighbor had been cured of kidney trouble by Doan's Kidney Pills. I used them and before long I was a great deal better. I was able to sleep well and they improved my health."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Mefford had. Foster-Milburn Co., Props., Buffalo, N. Y.

AMERICAN ART

Beautiful Paintings To Be Reproduced On The Gen Theater Moving Picture Screen Thursday Afternoon and Evening.

Among the many means by which the Art Department of the General Federation of Women's Clubs seeks to interest Americans in American Art is the exhibit of two collections of colored slides of American Paintings. One set represents contemporary American Paintings and the other American Historic Paintings. The latter collection will be shown at the Gen Theater Thursday, November 5th, afternoon and evening.

It will be remembered that arrangements were made here last year to exhibit the Contemporary Paintings; but the slides were shipped from Missouri to the wrong address and so failed to reach here. The series being shown this year will be used in Lexington, Ky., November 4, and since the route is short and direct, there is no chance for a mistake in shipping.

Since during these troublous times when Europeans are busy destroying the accumulated culture and art treasures of centuries, we can not enjoy old world art galleries, we can become acquainted with the art of our own country by having these art collections brought to our own doors.

Every lover of beauty should see these exquisite paintings, which those who have seen them say are even more beautiful than the contemporary series.

The women of America are doing much to build up interest in American history, American art and American institutions—in short to create in this country the atmosphere that throws a halo about things European, to foster in Americans a patriotic love for the history, traditions and art of their own country.

In December, through the generosity of this same Art Department of the General Federation of Women's Clubs, our city will be favored with an exquisite exhibit of the best American pottery—a rare opportunity to see collections of two kinds of American art in so short an interval.

The historic American Paintings will be shipped from Maysville to Oklahoma, where they are booked for a circuit.

Interesting information concerning each artist and his works will be given as the slides are shown.

The Federation has made this collection of slides, hand-colored by eminent artists at a great cost of work and money and asks in compensation that the people take advantage of the opportunity thus extended. An evening of pure beauty and pleasure for young and old. At the Gen Theater, Thursday, November 5th, afternoon and evening.

'TOO TALL FOR THE SHELF'

N. W. Orr, 2333½ Forest avenue, owns a grandfather clock, which he believes is one of the oldest in America.

Mr. Orr doesn't know just how old the clock is, but knows positively that it is more than 112 years old.

"My grandfather brought the clock over from Europe when he came," said Mr. Orr. "I don't know when he came over, but my father, William Orr, who would be 112 years old today if he was living, was born in Ohio."

Mr. Orr says the clock stands seven feet high, kept good time until last fall, when the weight cords broke. He has been unable to find a clock-maker or repairer who can repair it. —Kansan City Star.

MOTHER SUPERIOR ROSARY HILL HOME

Tells How Vinol Restores Strength and Vitality to the Weak, Worn-Out Ones in Her Charge.

Rosary Hill Home, Hawthorne, N. Y. —"I have been at work among the sick and poor for nearly eighteen years, and whenever I have used Vinol for run-down, weak or emaciated patients, they have been visibly benefited by it. One patient, a young woman, was so weak and ill she could hardly creep to my door for aid, and was leaning on a friend's arm. I supplied Vinol to her liberally and in a month when she returned to thank me I hardly recognized her. She was strong, her color charming and her cheeks rounded out. These words are uttered from my heart, in order that more people may know about Vinol, as there is nothing makes me happier in the world than to relieve the sick."

Mother M. ALPHONSA LATROP, O.S.D., Hawthorne, N. Y.

Such disinterested and reliable testimony should convince everyone of the merits of Vinol, our delicious cod liver and iron tonic to build up health and strength for all weakened and nervous conditions, whether caused from overwork, worry or chronic coughs and colds. If Vinol fails to benefit we return your money.

"A PAIR OF SIXES"

"A Pair of Sixes," the farce by Edward Peple which is nearing the end of its first year's run at the Langhorne Theatre, New York, will be the attraction at the Washington Theatre, Monday night, Nov. 9. It received a degree of praise from the usually severe metropolitan critics in terms that almost exhausted the superlatives. There has been no dissenting opinion as to the ingenuity of the fantastic idea on which the plot is based and the swift movement and comic intensity of the details make an endless entertainment of rarely enjoyable fun.

The story concerns George B. Nettleton and T. Boggs John, manufacturers of a digestive pill, who are continually quarreling about their respective claims of being the brains of their prosperous business. With a burst of temper, each declares he wants to break the partnership. This is not easy to arrange, but when their lawyer comes they dispute as much about the details of the split as they have previously done about the details of the business. They finally accept their lawyer's suggestion to decide the dissolution by drawing a hand at poker. They agree that the one who wins should be the master of the business, and the other is to be his servant for a year. If either party breaks this contract, he is to forfeit \$5,000.00 and his interest in the business. There are also numerous cash fines and other penalties. Also absolute secrecy is demanded. This makes Boggs' position exceedingly painful to him when he is in stalled as butler in the Nettleton home, and his sweetheart comes to visit them as a guest. He dares not tell her his reason for his menial position and his tribulations are made worse through the insistent attentions of an eccentric English servant, who determines to capture him as a husband. This amusing complication excites no end of amusing situations and the fun is far and furious until his sweetheart takes a hand in the game and proves that a lone queen of hearts can beat a pair of sixes.

TOBACCO BROKER

Thomas H. Gray's New Plant in the Tobacco District New Feature in Maysville's Big Market

The subject of this business notice is not new to the tobacco trade, or without experience. Mr. Gray was reared on a farm in Fleming county, Kentucky, where he became familiar with the culture, curing and grading of White Burley Tobacco by actual experience. Before reaching his majority he began speculating as a country dealer, selling in the Cincinnati and Louisville markets and later he accepted a position with the Farmers' and Shippers Tobacco Warehouse Company, of Cincinnati, as their agent and solicitor, with headquarters at Flemingsburg, Ky., at the same time continuing to speculate. After about two years he accepted a position with the Cincinnati Tobacco Warehouse Company in the same capacity.

In the above time he gained valuable experience in the handling and classifying of Burley tobacco to suit the manufacturer. Mr. Gray became identified with the American Tobacco Company when it began buying direct from farmers, remaining with them up to 1909, buying and classifying large quantities of tobacco for their factory each year. During his stay with the American Tobacco Company he bought for them at Flemingsburg, Augusta and Maysville, Ky. He left them to accept an offer from the J. P. Taylor Company to install and operate their Kentucky branch and direct the buying and grading of tobacco, and to equip for them a large re-drying plant at Lexington and Maysville, Ky. After eighteen months with the Taylor Company he became identified with the R. J. Reynolds Tobacco Company as assistant manager of their buying force in Kentucky, and in two years he became the manager. During his connection with the Taylor and Reynolds Companies Mr. Gray's headquarters were at Lexington, Ky.

With all his experience from the tobacco growing fields on through all the various channels of the Leaf Tobacco business up to buying millions of pounds yearly for several of the largest tobacco manufacturers and best dealers of the country, Mr. Gray has decided to enter the brokerage business. Realizing the superior quality of the weed grown in the territory surrounding Maysville, Ky., and the many advantages of the Maysville market in its shipping facilities, he is building a large brick remodeling house in Maysville which will be fully completed and ready for the handling of a general brokerage business in time for the opening of the market for the 1914 crop.

Mr. Gray's opportunity of buying and handling from two to twenty million of pounds of tobacco yearly for the best known and most successful firms of the country should commend him to the trade.—Western Tobacco Journal.

Louisville.—J. C. W. Beckham, Dem-
ocrat, is the first Kentuckian to be
elected to the United States senate by
direct vote of the people.

He triumphed at the polls by a ma-
jority very close to 40,000. Johnson
N. Camden, Democratic candidate for
the short term, which expires March
4, is returned to the senate by a ma-
jority in excess of 40,000 and has the
honor of leading his ticket hand-
somely.

C. W. BECKHAM.

is E. Willson, former gov-
ernor and Republican sen-
ator, gets second place
and leads Burton Vance, Pro-
gressives, by a large majority. The
Democratic and Pro-
gressives were the only real contest.
Democratic candidates ran way
ahead of their opponents in all in-

progressive vote throughout the
state, and amazingly, notably
the Fifth Congressional district,
the 23,000 votes cast in the last
election have fallen off to a bare 8,000
polls.

The 11 congressional races
about the state no change what-
ever in the complexion of the Ken-
tucky delegation was made Demo-

cratic candidates have been elected by
comfortable majorities in all districts
save two, the Tenth and Eleventh,
where John W. Langley and Caleb
Powers, Republicans, are returned to
congress.

The only new face in the entire Ken-
tucky delegation, therefore, is that of
David H. Kinchloe, who succeeds A.
O. Stanley in the Second district.

Mr. Beckham has carried nine of the
eleven congressional districts.
Swager Sherley, congressman, com-
menting on his victory, said:

"I am very deeply gratified by the
large majority my friends have given
me."

In the First district the Democrats
are claiming to have won by a ma-
jority of 6,300, conceding Caldwell
county to Willson and the Republican
ticket by 37 votes. Crittenden county
was the only other county in the dis-
trict to return a Republican majority,
the count giving the latter party the
advantage by 365 votes. Alben Bark-
ley was re-elected to congress.

The Democrats scored heavily in the
Second district, carrying seven out of
the eight counties, losing the county
of Christian to the Republicans by a
majority of 1,500. The Democratic
majority in the district was 2,800. David
Kinchloe was elected to succeed
A. O. Stanley in congress.

In the Third district Democrats and
Republicans broke even on the coun-
ties carried. Barren, Logan, Simpson,
Todd and Warren stayed in the Dem-
ocratic column, while the remainder
of the counties went to the Repub-
licans. R. Y. Thomas was re-elected
to congress by 1,200.

The ticket headed by former Gov.
Willson carried two counties in the
Fourth district—Grayson and Green—
the latter by the scant margin of 31
votes. All of the other counties of the

SENATOR J. N. CAMDEN.

district were safely Democratic. Ben
Johnson returns to congress from this
district.

The Democrats had easy romping in
the Seventh district, pulling down a
majority estimated at 6,000.

In the Eighth district the Repub-
licans carried but a single county, Mad-
ison, and that by a majority of 37
votes. This is Gov. McCreary's home
county. Harvey Helm won re-election
to congress.

In the Ninth district the Democrats
carried 9 of the 13 counties, returns at
midnight showing a majority of 50
for the state ticket. Party leaders in
Louisville are claiming the district by
3,500.

John W. Langley, Republican, cap-
tured congressional honors again in
the Tenth district, claiming the dis-
trict by 4,500.

In the Eleventh district Caleb Pow-
ers was re-elected to congress on the
Republican ticket by a majority of ap-
proximately 1,200 over John Henry
Willson, Independent candidate. Caleb
Powers claims to have been elected by
10,000 majority, and in a statement
says he has carried every county in
the district.

In the Third Appellate district Judge
Rollin Hurt has won over Judge Jas.
Denton.

Democracy in the Fifth district rolled
up record majorities for all its can-
didates.

Swager Sherley is returned to con-
gress for his seventh term by a ma-
jority of 15,971, by far the largest he
has ever received.

Beckham carried the district by 12,
272 for the full-term senator, while
Johnson N. Camden received a ma-
jority of 15,307. Louisville Democrats
were exuberant at their showing, and

declared no other district in the state
will approximate the victory here.

Total Vote is 38,000.

The total vote in the district cast
approximates 38,000, while a normal
vote is in the neighborhood of 55,000.

No trouble of any kind developed at
the polls here. The election was ex-
ceedingly quiet. Little interest was
shown here in any of the political
races.

Voters here evinced far more inter-
est in the race among school trustees
in which the women participated. The
candidates supported by the women,
Messrs. Bloom, Gottschalk and Weav-
er, were re-elected by handsome ma-
jorities.

The commission form of government
carried at Middletown, Hopkinsville
and Harrodsburg and was defeated at
Owensboro and Frankfort.

At Owensboro a \$60,000 bond issue
for the purpose of building a new city
hall was defeated.

At Winchester the proposal to grant
the city council permission to enter
into a contract with the Winchester
Water Co. to furnish water from the
Kentucky river was rejected.

BECKHAM IS WINNER.

Lexington, Ky.—J. C. Beckham car-
ried Fayette county by 195 votes over
Augustus E. Willson.

There was a heavy stay-at-home ele-
ment. The total registered vote in the
city of Lexington was 8,021 and only
5,621, as shown by the race for the
long term as United States senator,
went to the polls, leaving 2,400 not
voting in the city.

Johnson N. Camden received 419
more votes than Beckham, and in the
county Camden's lead over Beck-
ham was only 49. In the city Willson
got 514 more votes than Blumitt, while
in the country he got only 18 more.

Western Newspaper Union News Service.

New York.—Charles S. Whitman, Rep-
., was elected governor of New
York over Martin H. Glynn, Dem.
The only question is the size of his
plurality.

James W. Wadsworth, Jr., Rep., has
defeated James W. Gerard, Dem., for
the United States Senate in the first
popular election for that office, but
ran behind Whitman's plurality figures
by many thousands votes.

Returns from all sections of the
state indicate that the Republicans
have carried both houses of the state
legislature and have elected many
candidates in a great majority of the
districts.

Republican campaign managers are
claiming a landslide for their candi-
dates.

Illinois Republican.

Illinois in company with several
other states, resumed its old position
in the Republican column.

The chief contest centered on
United States Senator, the result is in
considerable doubt, but favoring Law-
rence Y. Sherman, Rep., over Roger C.
Sullivan, Dem.; W. Raymond Robins
and Bull Mooney, appearing as a very poor
third.

Moss Believed To Be Safe.

Terra Haute, Ind.—Returns from
half the precincts of Vigo county indi-
cate that the congressional ticket will
be elected with a plurality exceeding
2,000. Returns from other counties
of the Fifth Indiana district indicate
the return to congress of Ralph W.
Moss, of Clay county, by a close vote.

Hooper Is Defeated.

Nashville, Tenn.—The election of
Thomas C. Rye, Democratic candidate
for governor of Tennessee, was con-
ceded by the managers for Governor
Ben W. Hooper, Republic-Pullist
candidate for re-election.

Control of House.

Washington.—Democratic control of
the senate and house is assured for
another two years as a result of the
elections, but the Democratic majority
in the house is considerably reduced.

Incomplete returns indicate that in
place of the majority of 163 that Pres-
ident Wilson took into office with him
the administration will have a ma-
jority that may not exceed 100.

Both parties profess to be satisfied
with the result. The Democrats de-
clare that the reduction in their ma-
jority is not much more than was to
have been expected in view of the fact
that the sixty-third congress was
elected two years ago in one of the
most overwhelming landslides that
any party ever scored.

The Republicans, on the other hand,
assert that if the Wilson administra-
tion has been as glowingly successful
as its adherents claim there would
have been scarcely any defections in
a congressional election where the
personality of the president and the
necessity of lining up solidly behind
him in a vote of confidence was made
the main issue.

La Follette Defeated.

Madison, Wis.—United States
Senator La Follette's entry into the
Wisconsin gubernatorial election,
with the Independent-Pullist-Progress-
ive gubernatorial candidacy of John
I. Blaine, was rewarded by a complete
overthrow. Blaine running a weak
third. His total vote will be about
30,000, or less than the estimated 35,
000 plurality of E. L. Philipp, stand-
ing Republican, over John C. Karel,
Democrat.

La Follette tried to elect Blaine by a
fusion of the Progressives of both the
old parties, who resented the primary
victories of Philipp and Karel, both
avowed conservatives.

Returns Favor Johnson.

San Francisco.—Meeker returns
from a few scattered precincts in the
election in California show returns
slightly in favor of Hiram W. John-
son, Progressive candidate for gov-
ernor and incumbent. John W.
Fredericks, Republican, is a close sec-
ond, and indications are that the race
between them will be rather close in
the pre-election betting Johnson
was a 2 to 1 favorite.

John W. Curtin, the Democratic can-
didate, is running third.

Early figures give Joseph R. Krow-
land, Republican candidate for United
States Senator, a slight lead over
Francis J. Heney, Progressive.

Republicans Gain in West Virginia.

Charleston, W. Va.—Although the
early returns from scattering counties
in West Virginia show surprisingly
large gains for the Republicans of the
Pan-Handle State, the result in sev-
eral of the congressional districts re-
mains in doubt.

Owing to the meager returns from
the mountain counties the result is in
doubt in the First, Second and Third
districts. Congressman-at-Large How-
ard Sutherland is said to have been
re-elected over Dr. Thomas E. Hodges
according to the early returns, and Ed-
ward Cooper, of Bramwell, a Repub-
lican, will succeed James A. Hughes
in the Fifth district. Cooper has
won over George I. Neal, Democrat.

From The Bay State.

Boston.—Governor David I. Walsh
Democrat, was leading, according to
returns of upward of three quarters
of the state, in the election, but it was
uncertain whether the Democrats had
been able to again secure other places
on the state ticket.

Figures at hand for Lieutenant Gov-
ernor gave Grafton D. Cushing, Re-
publican, a slight lead over his Demo-
cratic opponent, Lieutenant Governor
Barry, with the probability of winning
by a small margin if the same ratio of
increase was shown.

Republican Sweep.

New Haven, Conn.—There was a Re-
publican sweep in Connecticut, as the
state ticket being carried by about
2,000. Five Republican representa-
tives in Connecticut were also elected.
Simon E. Baldwin, the Democratic
nominee for the United States Senate
is running close to Senator F. B.
Brandegee, but he probably will be de-
feated by 3,000 votes.

Pennsylvania Republican.

Philadelphia, Pa.—Pennsylvania
came back strongly into the Repub-
lican column, that party electing Boies
Penrose to the United States Senate
and Martin G. Brumbaugh, governor
by pluralities that may exceed 200,000.

The vote was unexpectedly large
exceeding that cast for president in
1912. The Republicans also elected
their candidates for lieutenant gov-
ernor and secretary of internal affairs
as well as four congressmen—at-large

Legislature Is Close.

Wilmington, Del.—Secretary of
State Thomas W. Miller, Republican
was elected as Delaware's only rep-
resentative in congress over Franklin
Brookston, Democrat, the incumbent
by a plurality throughout the state
that will exceed 500. Kent and Sus-
sex counties went Democratic, but a
largely increased Republican vote in
this city will carry Miller through
his majority in Wilmington will be
at least 2,000. The legislature will
probably be close.

Willis For Governor.

Columbus, O.—With vigorous claim-
ing for victory from both the Democratic
and Republican headquarters for vic-
tory on the governorship the trend
based on estimates rather than actual
figures, indicated the success of Con-
gressman Frank R. Willis, the Repub-
lican nominee, and away from Gov-
ernor James M. Cox.

The chief executive, with reports
from his supporters, believes that his
plurality will range between 25,000
and 40,000.

Beckham For Senator.

Louisville, Ky.—J. C. Beckham, for-
mer governor of Kentucky, won by a
plurality of 40,000 in his race for
United States Senator on the Demo-
cratic ticket. His Republican oppo-
nent, former Governor Augustus E.
Willson, made gains in counties where
the full Moore vote was strong two
years ago. Returns from the city pre-
dict show a large falling off in the
Progressive vote and a corresponding
gain in the Republican vote.

Senator Shively Wins.

Indianapolis, Ind.—Incomplete re-
turns from practically every county in
Indiana indicated the reelection of
Senator Shively, Democrat, to United
States Senate by a plurality not less
than 25,000. The same returns indi-
cate the election of the entire Demo-
cratic state ticket by a vote practi-
cally the same as that of Senator Shively.
